novocure

“Aqurance stood out from the field in their professional approach to our interactions and their forthright and honest dialogue. The partnership we have built enables us to ensure high level Veeva functionality, providing important continuity over time. Aqurance is not just reactive to our needs, but also proactive in helping us think strategically about both our present and our future.”

Novocure | Senior Manager, Data Science & Advanced Analytics, Global Business Effectiveness

abbvie

“Aqurance is one of the few EU-based companies that specializes in multichannel services and at the same time has deep knowledge of the Veeva CRM ecosystem. They are skilled in building digital capabilities to Life Sciences, supporting at a high-level both English and Hebrew.”

ABBVIE Israel | Digital Manager, Customer Excellence

Chiesi

“Aqurance made it an easy, hassle-free process. They effectively deployed the solution, helping and guiding our teams to adopt better in change management process.”

Chiesi Spain | CRM Specialist

Our commitment to quality has earned us international recognition, with esteemed awards and testimonials from reputable industry organizations.
